

TRAILBLAZER N034 REPORT - Saturday 1/11/14 – Augusta

A small but quality field of Trailblazers headed off for the annual Augusta pilgrimage in hunt for the mighty Anaconda and once again tradition raised its ugly head, with the a brief period of geographical embarrassment being experienced by our intrepid off roaders.

A shortened course of only 10km took the group over sand, rocks, thick forest, deeply rutted tracks, previously unexplored fire breaks and bitumen roads, to a from our suburban base.

This was real trail running, nothing like the walk in the park terrain that the competitors in the Augusta Adventure Race had to dance over the following day Pussys!

So where to next Peacocks Nest on Wellington Dam Rd will host the final Trailblazer for 2014 on Saturday 13 December at 6.00am. Followed by our end of year shindig, so cater accordingly.
